Want a versatile piano that never needs tuning? Consider a digital piano or keyboard. Their sound and response just may surprise you! We offer high quality instruments from *Yamaha* and *Roland*, most with weighted keys. Just as on a traditional acoustic piano, the keys of the lower notes have a heavier touch, while the higher ones are more responsive to lighter playing. Come play one today!

Rent-to-own options on a full-size 88-key instrument start at only **\$45/mo.** Buy a portable starter keyboard for around **\$120**, or a full 88-key digital piano for only **\$499!**
